Active Citizenship is a unique and exciting civics book for non-formal adult education classes in Myanmar.

The book helps readers to develop the knowledge, skills and values that support active citizenship. It makes use of a range of exercises, case studies and interactive activities to address the key themes of civic participation both in Myanmar and around the world.

Active Citizenship is written in clear, simple language, has a full Myanmar language glossary at the end of each chapter and has three useful chapter reviews which help you visualize and expand upon your learning.

This book can be used either as a classroom book, or as a self-study course. The **Active Citizenship** set also includes a teacher's book.
