

❖ This book contains 33 historical stories of the Pyus, the Rakhines, the Mons, the Bamar and other ethnic peoples of Myanmar.

❖ Most materials in it, despite a few being legends and oral traditions, are culled from the works of authoritative historians and some epigraphic documents.

❖ No doubt, the readers can, therefore, take a peep into the somewhat confirmed history of Myanmar at one-sitting.

Some Selected MYANMAR HISTORICAL STORIES

Contents

- Acknowledgements i
- Foreword iii
- Introduction v
