

Unit 1 Introduction to JavaScript..... 1

1.01 JavaScript Versions 2

1.02 Web Browser and Editor..... 3

1.03 Syntax..... 4

1.04 JavaScript Statment..... 5

1.05 JavaScript ချိတ်ဆက်နည်း..... 6

1.06 Comments..... 8

1.07 Creating & Working with Objects 9

Unit 2 Working with Variables & Data Types 13

2.01 Variable..... 13

2.02 Identifier..... 14

2.03 JavaScript Keywords..... 16

2.04 Basic Primitive Data Types..... 17

2.05 String Data Type..... 19

2.06 Type Casting or Type Conversion..... 20

Unit 3 Using Operators & Expression 23

3.01 Arithmetic operators..... 23

3.02 Expression..... 24

3.03 Comparison or Relational Operators..... 25

3.04 Boolean or Logical operators..... 26

3.05 Bitwise Operators..... 28

3.06 Assignment operators..... 32

3.07 Comma operator..... 32

3.08 Type Operators..... 32

3.09 Operator Precedence..... 33

Unit 4 Array in JavaScript 34

4.01 Creating an Array..... 34

4.02 Access the Elements of an Array..... 35

4.03 Access the Full Array..... 36

4.04 Array as Object..... 36

4.05 Array Properties and Methods..... 37

4.06 Associative Arrays..... 43

Unit 5 Controlling Flow with Conditionals 44

5.01 if Statement..... 45

5.02 else Statement..... 46

5.03 else if Statement..... 48

5.04 switch Statement..... 50

5.05 Conditional Operator..... 52

Unit 6 Looping..... 54

6.01 Concept of Looping..... 54

6.02 Looping Types..... 55

6.03 for Looping..... 56

6.04 for/in Looping..... 57

6.05 while Looping..... 58

6.06 do .. while Looping 60

Unit 7 Working with Functions..... 66

7.01 Function Declaration..... 67

7.02 Function Expressions..... 68

7.03 Function Parameters and Arguments 69

7.04 Method..... 71

7.05 String Methods..... 71

7.06 Number Methods..... 75

7.07 Date Methods 77

Unit 8 Objects in JavaScript 80

8.01 Object Oriented Programming(OOP) ဆိုတာ ဘာလဲ 80

8.02 Object in JavaScript..... 84

8.03 Object Method..... 85

8.04 Creating a JavaScript Object..... 85

8.05 Object Property..... 86

8.06 Adding New Properties..... 87

8.07 Deleting Properties..... 88

8.08 this Keyword..... 88

8.09 Accessing Object Methods..... 88

8.10 Built-In Methods တွေကို အသုံးပြုနည်း..... 90

8.11 User Defined Method အသစ်များ ထည့်သွင်းနည်း..... 90

8.12 Object Constructor 91

8.13 Object Prototype 93

Unit 9 Document Object Model..... 95

9.01 Document Object Model Concept..... 95

9.02 HTML DOM..... 96

9.03 DOM Tree of Objects..... 1

9.04 DOM Document Object..... 1

9.05 Adding Events Handlers 1

9.06 DOM Method..... 1

9.07 DOM Explorer 1

Unit 10 Browser Object Model 10

10.01 Browser Object Model 1

10.02 Window Object..... 1

Unit 11 Using JavaScript with Web Forms 12

11.01 Form Validation 1

11.02 Validate Numeric Input 1

11.03 Automatic Form Validation..... 1

11.04 Constraint Validation DOM Methods..... 1

11.05 Constraint Validation DOM Properties 1

11.06 Validity Properties..... 1

Unit 12 Exception Handling 1

12.01 try and catch Statement..... 1

12.02 throw Statement..... 1

12.03 finally Statement 1

12.04 Error Object..... 1
