

The noble wish

May the teaching of the Buddha prosper, promote and spread through personal learning and gift of Dhamma as well.

May you be free from dangers, be able to live long, to enjoy good health and happiness.

May you be free from the misery of Apaya, the realm of utter misery.

May you be able to enjoy the bliss of human beings Devas and Brhmas by means of the power of contemplation on the virtues the Buddha, the merit of Buddha nussati.

Ashin Eindaka,
