WRITER'S NOTE

In this collection, I have tried to categorize essays into five sections: (i) urban scenes, (ii) festivals and music, (iii) travel, (iv) profession, and finally, (v) teashop, and snack. Some of the essays have been appeared in My Yangon magazine whereas some others can be read on Myanmar website, but some are new ones. Anyway, I thought that it would be great for readers if they read them in a book. And, they can flip it through whenever they want to enjoy it. With that sense, I have compiled, and published it.
