

Preface , Welcome to VMware Workstation	1
Introduction	3
Cover	4
Need	5
Errata	6
Chapter 1 . Creating Virtual Machines	9
Introduction	11
Understanding Virtual Machines	11
Installing VMware Workstation	12
Creating a New Virtual Machine	18
Creating a New Virtual Machine on the Local Host	43
Chapter 2 . Customzing Virtual Machines	55
Introduction	57
Cloning Virtual Machines	57
Importing Virtual Machines	68
Installing and Upgrading VMware Tools	71
Virtual Machines Files	84
Chapter 3 . Using Virtual Machines	87
Introduction	89
Starting Virtual Machines	89
Stopping Virtual Machines	95
Add a Host Printer to a Virtual Machine	123
Using Removable Devices in Virtual Machines	124

Chapter 4 . Using Virtual Machines' Apperance	137
Introduction	139
Changing the Virtual Machine Display	139
Using Folders to Manage Virtual Machines	152
Taking Snapshots of Virtual Machines	157
Install New Software in a Virtual Machine	170
Share Tablet Sensor Data with Windows 8 Guests	172
Take a Screenshoot a Virtual Machine	172
Create a Movie of a Virtual Machine	174
Delete a Virtual Machine	175
